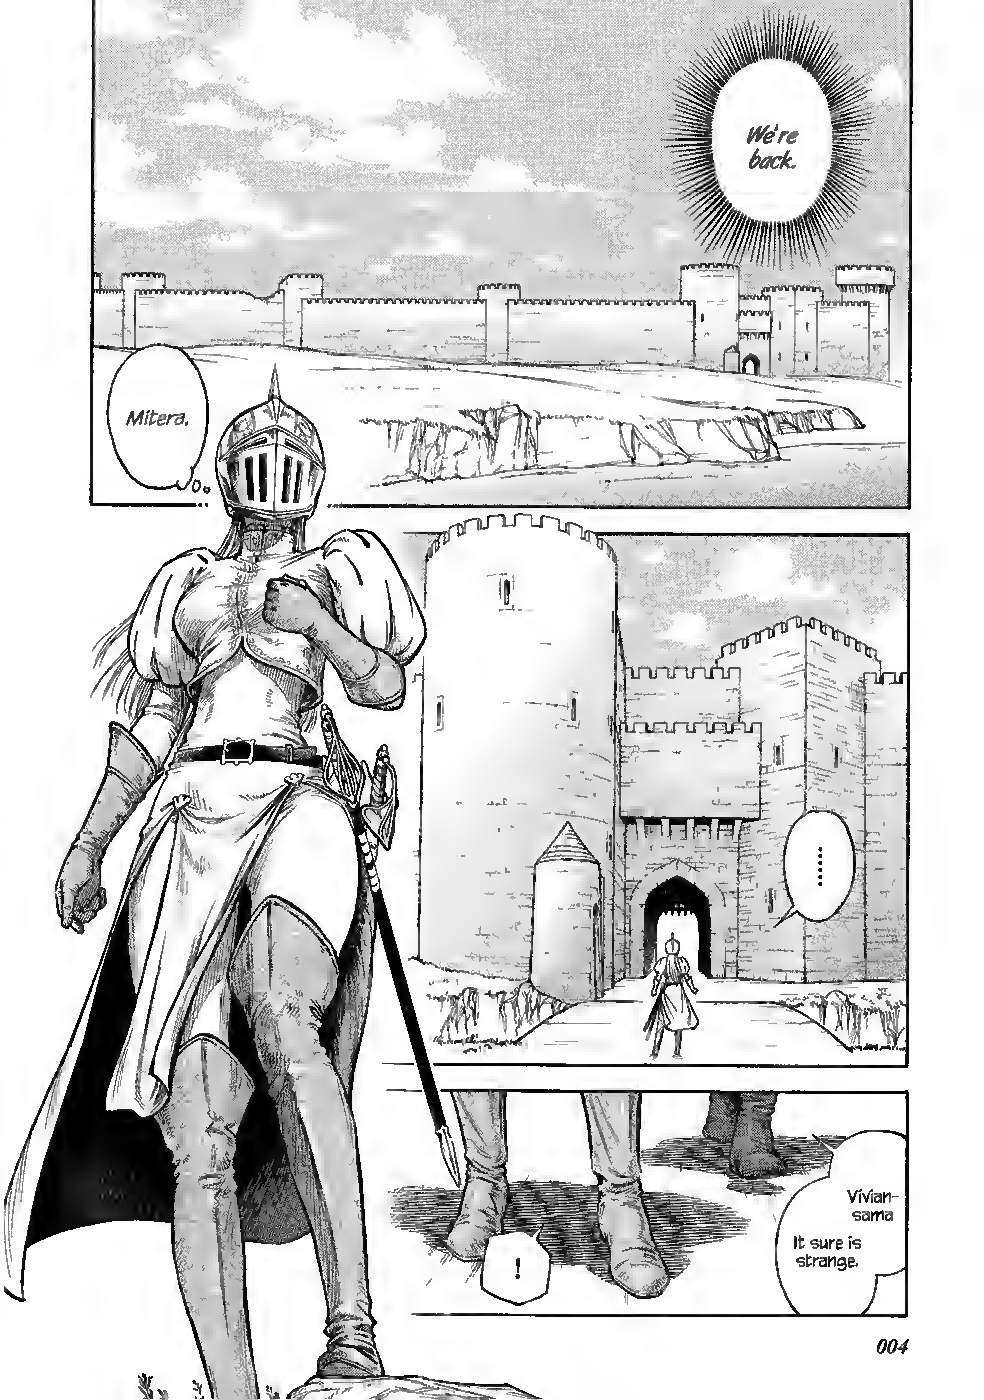
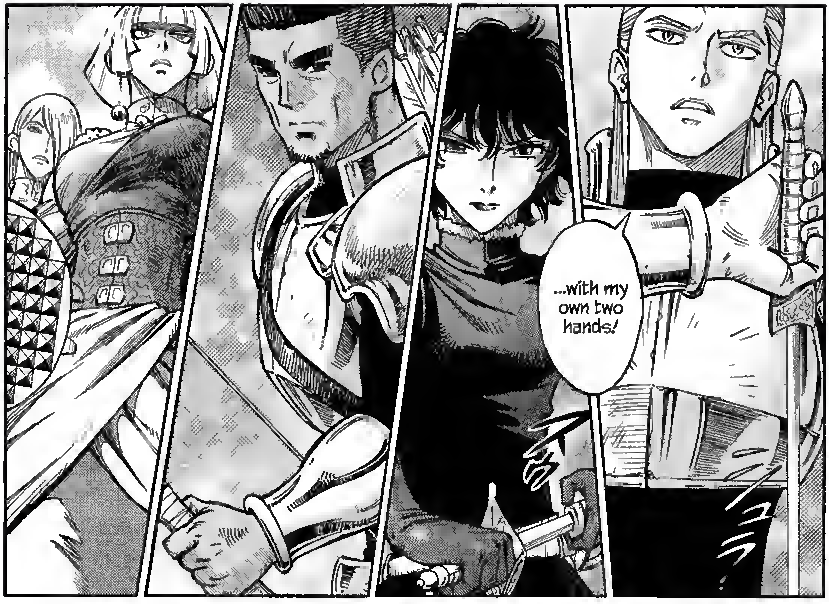
CHAPTER 15: UNINHABITED TOWN



We're back.
Mitera.
.....
Vivian-sama
It sure is strange.
!

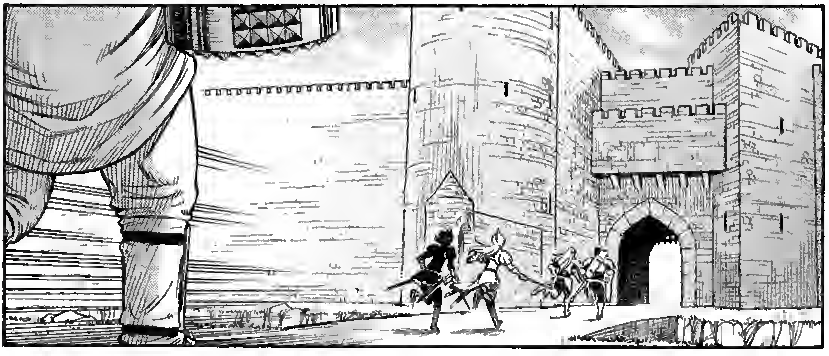
We need to think twice before entering our own home.
That's right.
This is our town.
IT DOESN'T BELONG TO THEM.
WAA
Fear not, Vivian.
.....

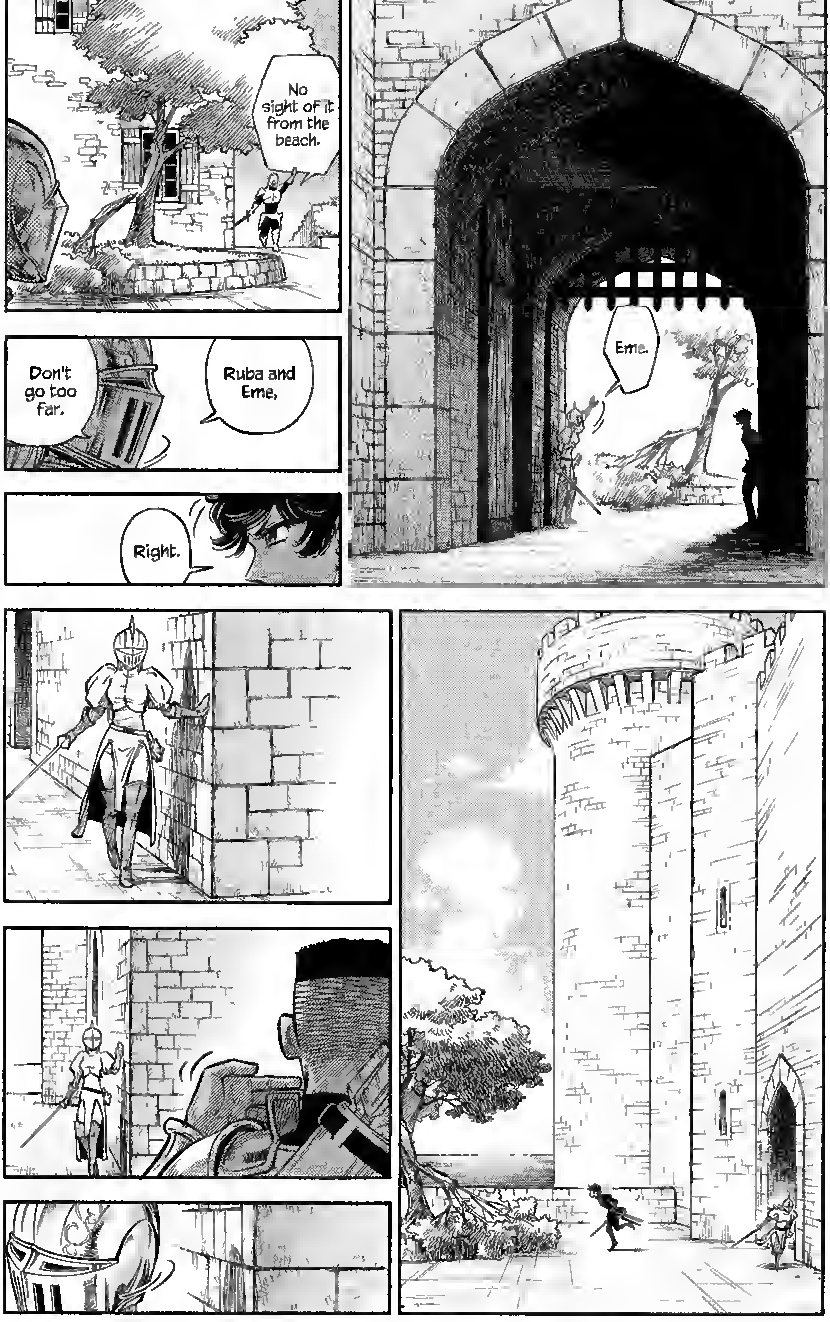
We're here with you.
If it's only 2 or 3 of them, I'll thoroughly defeat them.
HUMPH!
Olavie...
I'll regain Mitera...



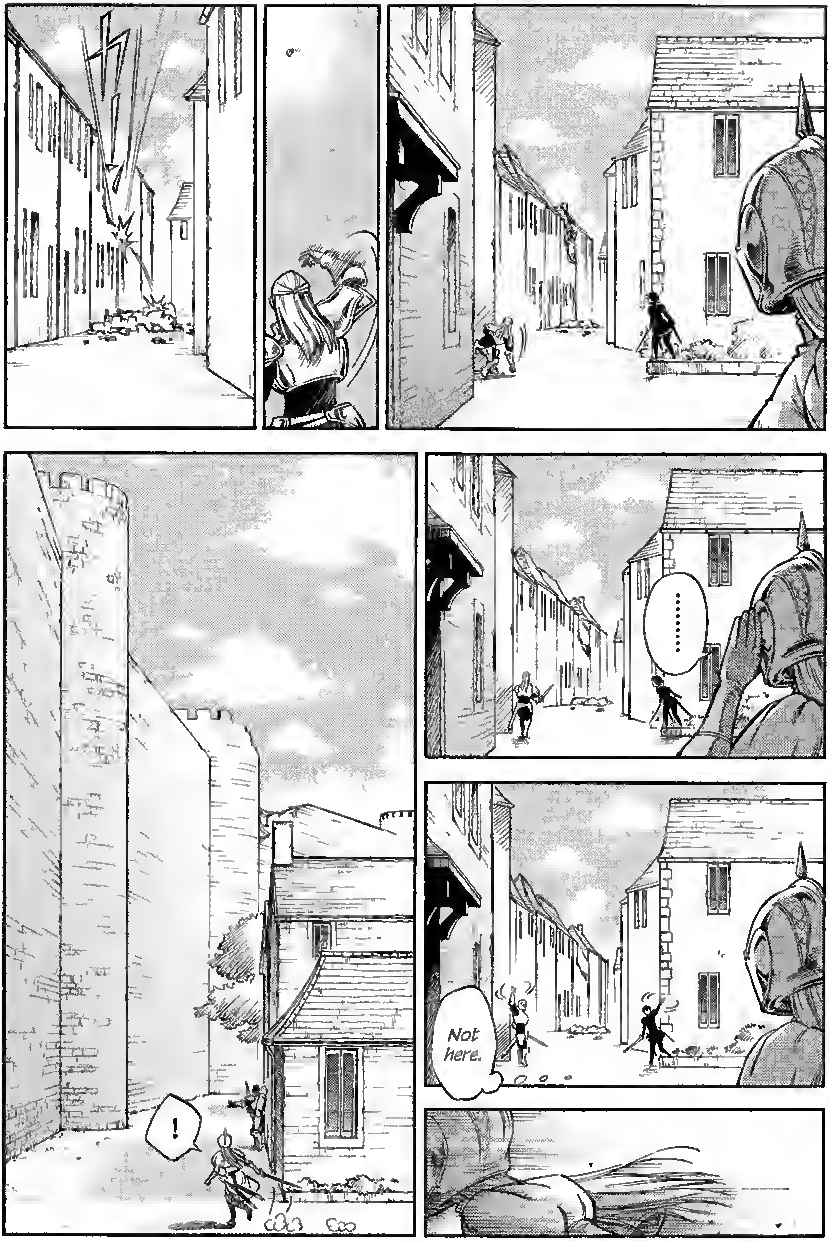
...with my own two hands!

OH
WE'RE GOING





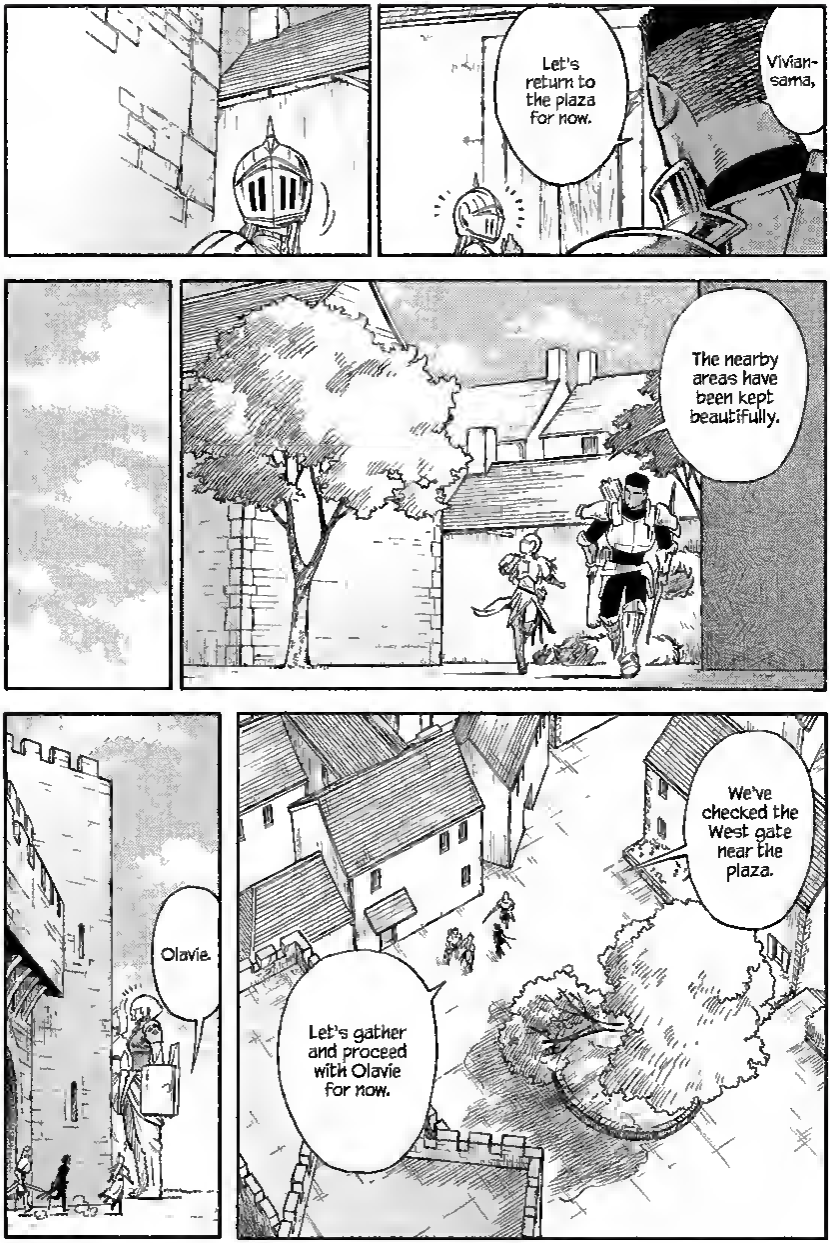
No sight of it from the beach.
Ruba and Eme,
Don't go too far.
Right.
Eme.



.....
Not here.
!

!
AH!
.....
Wumba!
Is it dead?
PLEASE WAIT.
CLANG!
.....
Just to be sure.

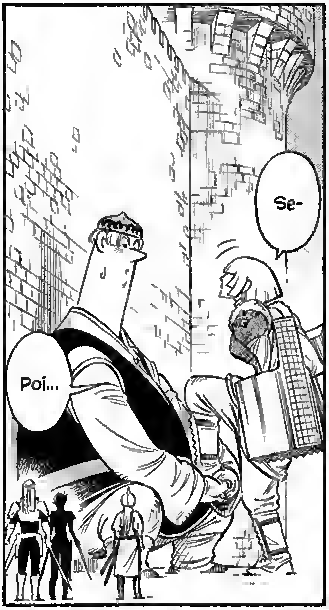
.....
Seems like it.
Can't seem to find any injury...
It hasn't yet begun to decay.
The corpse is still fresh.
How did it die?



Let's return to the plaza for now.
Vivian-sama,
The nearby areas have been kept beautifully.
Olavie.
We've checked the West gate near the plaza.
Let's gather and proceed with Olavie for now.

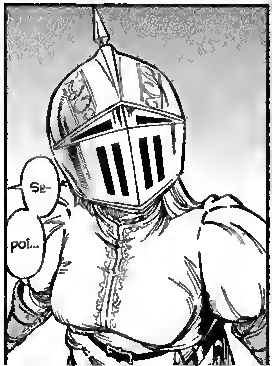
We've been waiting.

YAA!



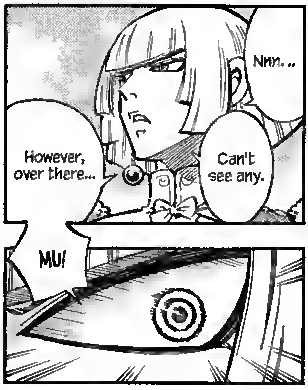
Se-
Poi...

Hold it tight.
Yes.
ガイ
ガイ
Give it your all by shouting "Ya!"



Se-
poi...

It is so beautiful yet...
But this is...
so the left inner part is the town
I can see the street clearly,



Nnn...
However, over there...
Can't see any.
MU!

REALLY?!

Can't see any moving object.
Olavie,
what's the situation?

There it is.
Wumba.
!
OAAH
Oooo...
...oooo...
Sound
.....
EME. UCO
FALL BACK.
!!
WA
OLA-VIE
It's only one.
Let me handle it.

GUGH
OOOH...
GUGIGIGI
Wumba.
IT'S HERE?
OLAVIE.
PLEASE

OOORAA!!

RAAA!!

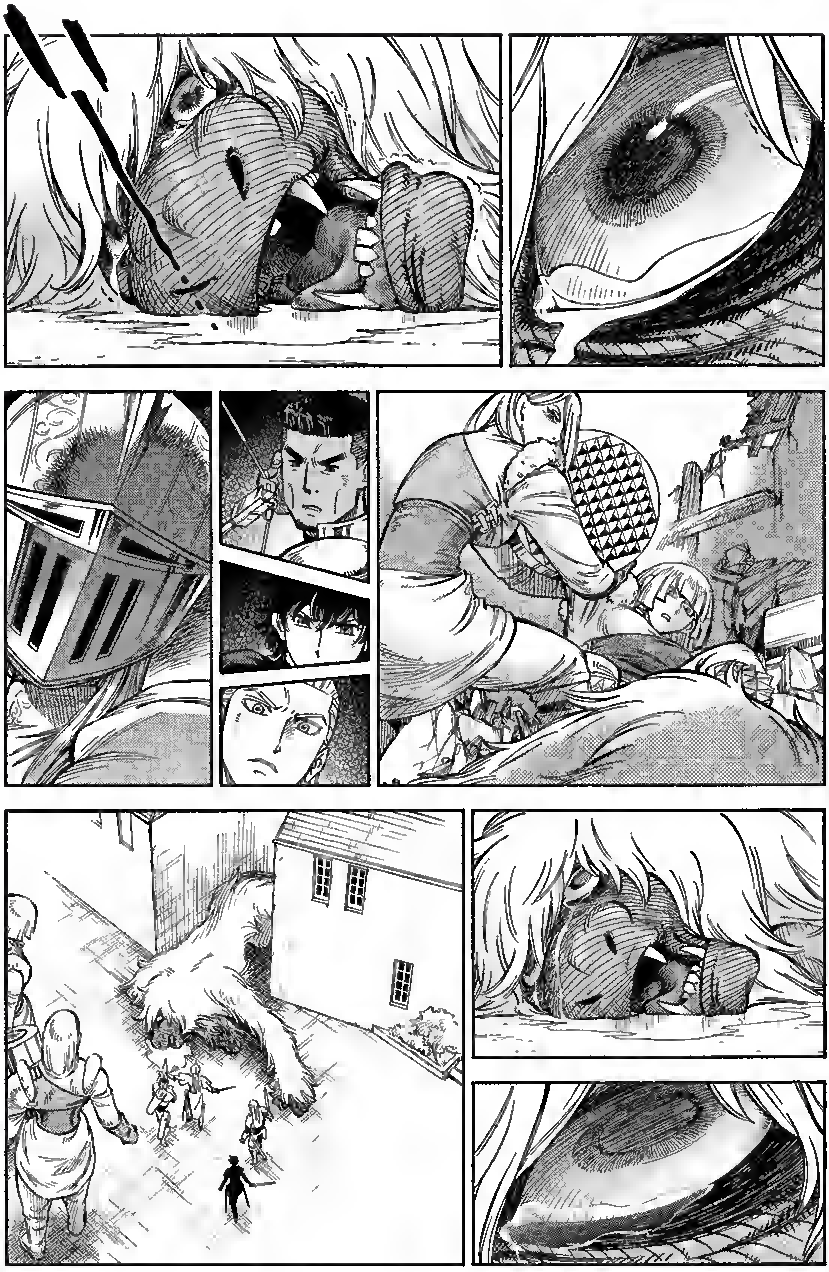
What?
This Wumba...
...Hold it right there.
Hold your position.
CLENCH
VIVIAN-SAMA PLEASE STAND BACK
WAIT
ガガガ



Why?
We haven't done anything yet.
Why is it dead?
Vivian.
It is also the same for the Wumba beside the wall.
Didn't the second Wumba pique your interest?
Since it's so loud, it would attract the other Wumbas.
Rather than that, Vivian-sama, we should get moving.
It's hard to believe that it's due to hunger.
There's no injury.

I have seen it from above.
Further inside there are a lot.
A clump of white hair similar to this.
It's not only two of them.
Eh?
It is most likely that they have all died.
Since there are no response from this much noise.
Mirka, give me a ride!
.....

This-
This is...
...All at once.
They attacked Mitera as if they'd gone mad.
What does it mean that they all died together?
What happened to the Wumba?

To be continued.

CHAPTER 16: IN THE RUINS

The sky is so blue, yet...
The sky is so blue, yet

Yet we can't even hear the chirping of the birds.
BATTLE
Vivian-sama,
We just thought the same thing.
Is that so?
You just said it yourself.
Eh?
Just kidding.

Is there a time when we're not together?
Our thoughts might be similar.
How many times have you snuck out of the castle by yourself?!
Please refrain from joking!
カラ カラ カラ
!
You sure didn't forget!
I for-got about that.
Ah...

Ruba.
The Apure bread, do you still remember?
What's wrong?
Ah...
Didn't you receive a gift when you went for a stroll by yourself?
Apure bread.
Why at a time like this?
So what is it with Apure bread?
No.
the 'Ah...' is for when you tried to sneak out of the castle.
What do you mean, 'Ah...'?
Didn't you enjoy how tasty your [first try] was.

Haji and Maruji,
the baker twins.
We bought it here.
and it was very soft...
it was a little sweeter than the castle's bread...
They put plenty of apure in it.
I remember it.
That's why it was a popular store.
yet he said that the bread baked in the morning was limited.
Maruji was a sleepyhead, he always complained about how hard it is in the morning,
RRT-TLING
That's Maruji's bread.

Is that so?
You know, Haji kept saying that Maruji's bread was somewhat different.
Even though the way they kneaded and fermented were all the same,
he insisted that his own bread tasted slightly better.
I tried to compare, but I couldn't tell the difference at all.
The Wumba got Maruji?
But we can no longer eat Maruji's bread.
Haji is...
It seems so.
Rumor has it that their chicken stew was the best.
The next building ahead was the Peron canteen.

The daughter is very cute with big eyes.
I've met the owner and his daughter before.
I don't know about the taste but
To save their daughter from the Wumba,
it seems the couple tried to stop it.
...they didn't.
...Did they manage to evacuate?

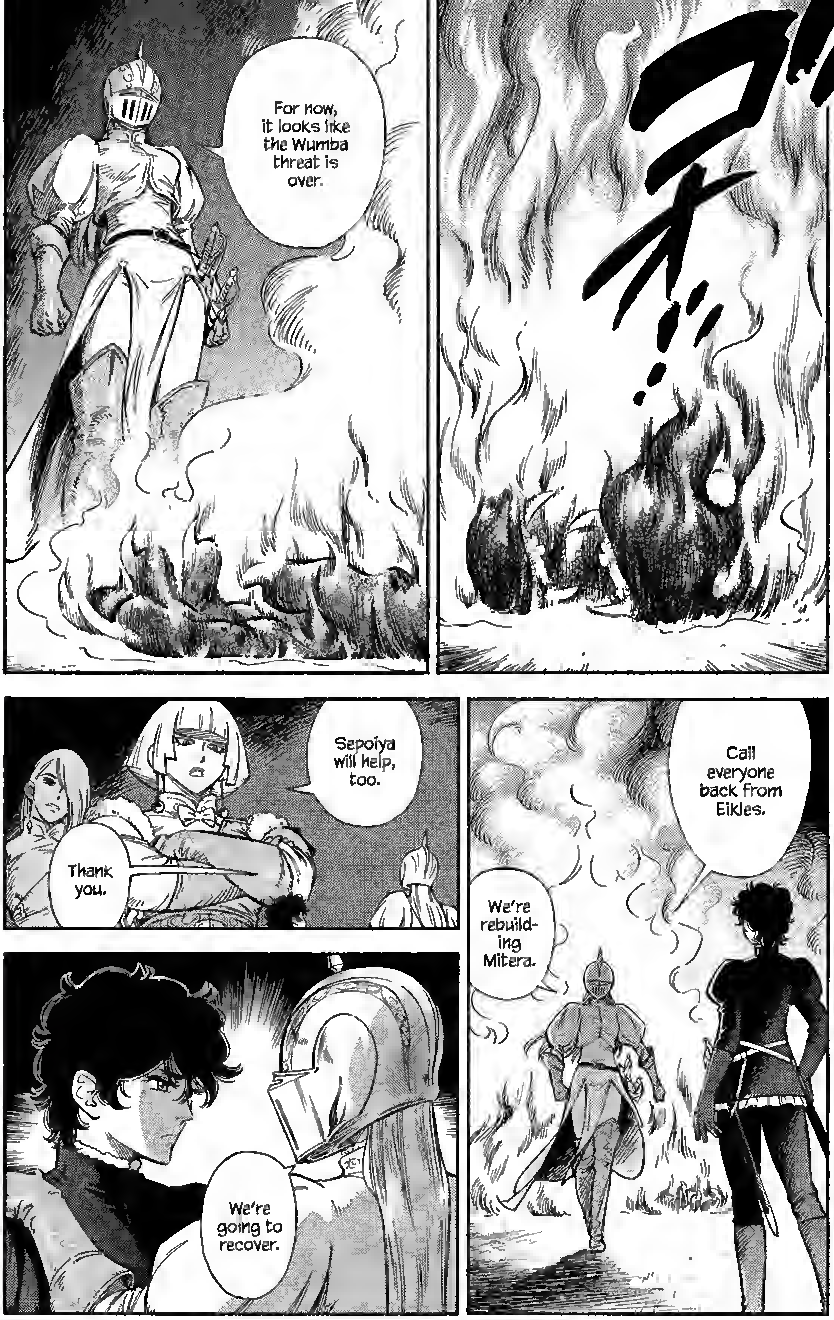
!
NO
NO!
IT'S NOTHING..
!
Ruba
The owner also seems friendly...
After all, she's still a baby.

That is...
Here.
I have one.
That's right.
From when we snuck out last summer.
Speaking of which, which was also a gift.

That's where we bought it.
Across the street, where the draper's was...
We left when we got hungry.
The embroidery and knitting material were all very adorable, we kept going around the shop.
During our visit, we unconsciously overstayed.
Perhaps he thought we were poor?
Ha ha ha!
But the shop keeper gave us a discount!
At that time, we were a little bit short to buy 2 pieces,

...eh?
ポロポロ
!
Vivian-sama...

We have to clean this up.
Vivian-sama.



For now, it looks like the Wumba threat is over.
Sepoiya will help, too.
Thank you.
We're going to recover.
Call everyone back from Eikles.
We're rebuilding Mitera.

Walk straight down from here and you can see Mitera.
COME BACK NOW.
WAIT A SEC MIRKA!
Eh?
I'll be heading back first.
I MADE A PROMISE WITH VIVIAN TO CAPTURE SOME MEAT!

Please do your best.

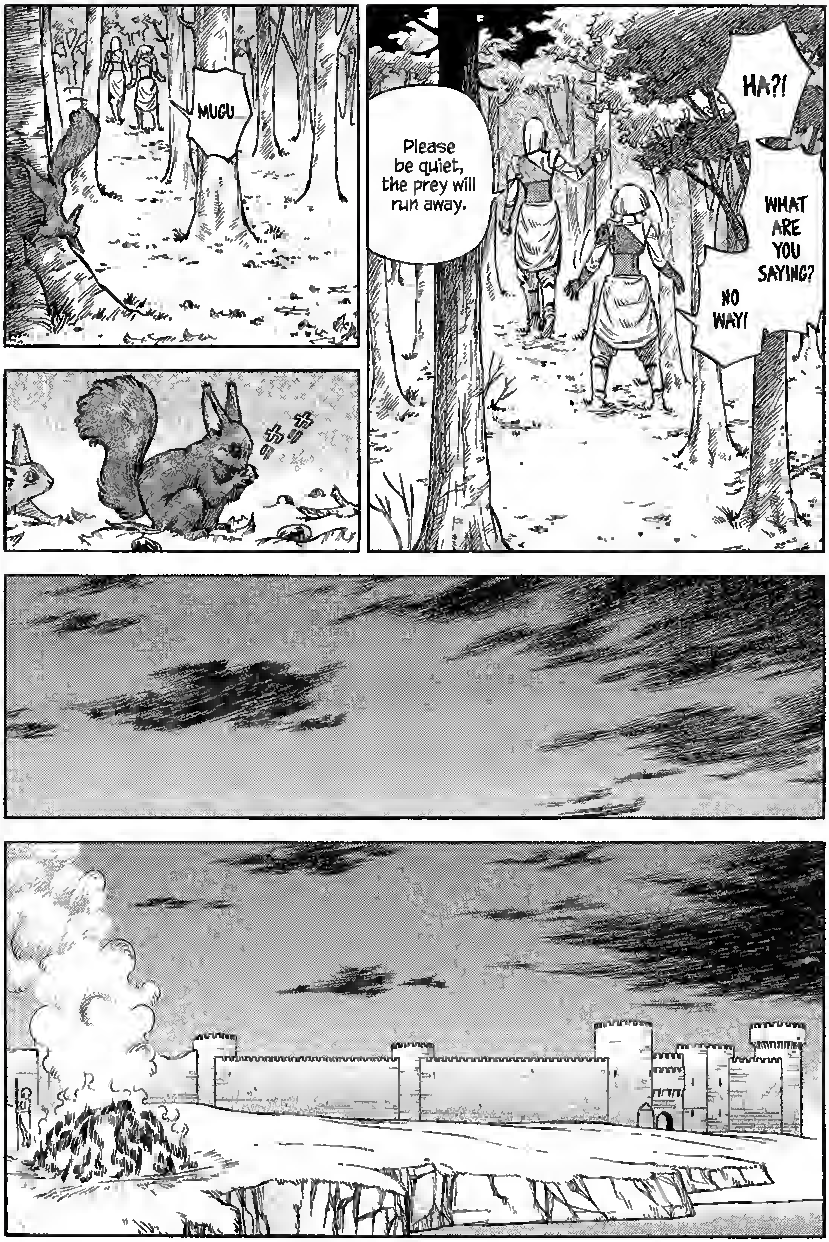
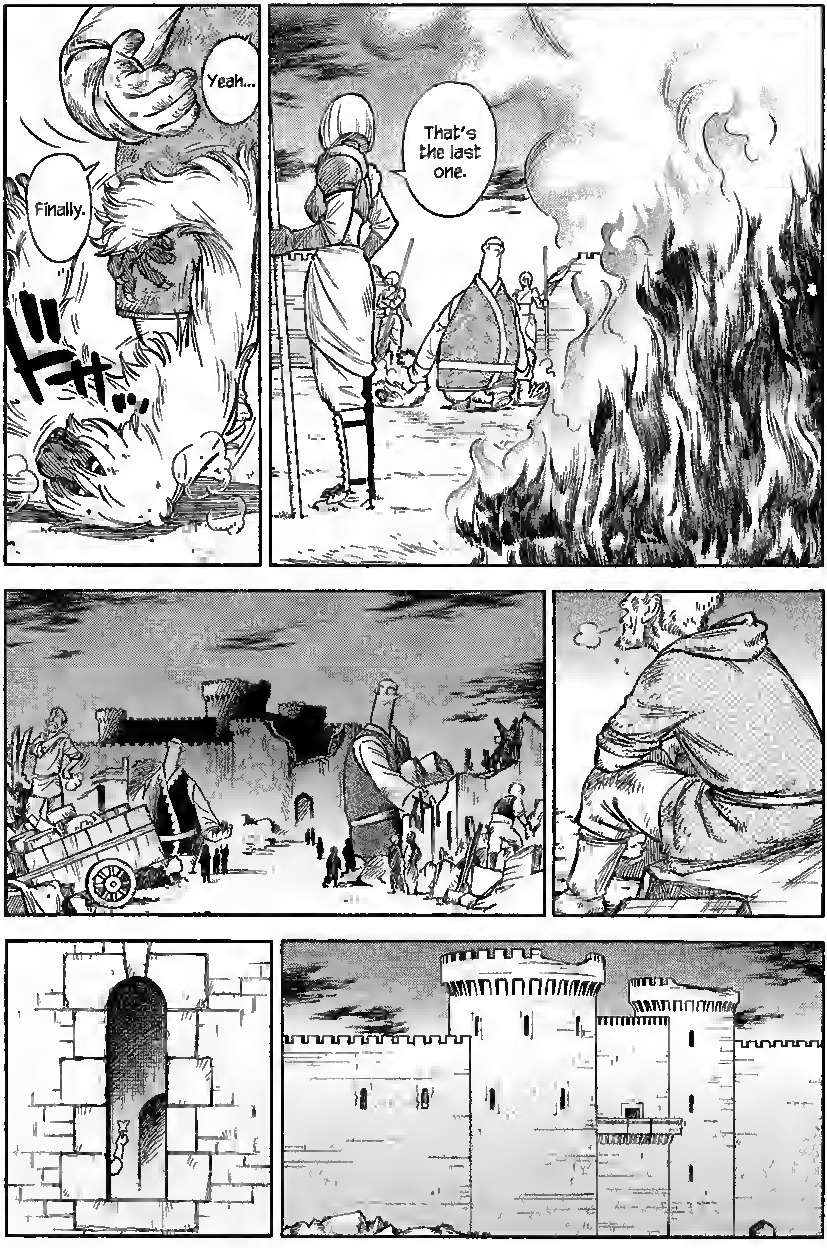
What?
Mirka, I caught it without your help.
Heh!
.....
It's a pity but it's just like the Wumba.
The unusual rampage...

Why don't we try to catch one again?
You want to offer it to Vivian-sama, right?
.....
This time Olavie-sama will be the one to chase the prey.
We're gonna catch a big one.
All right!



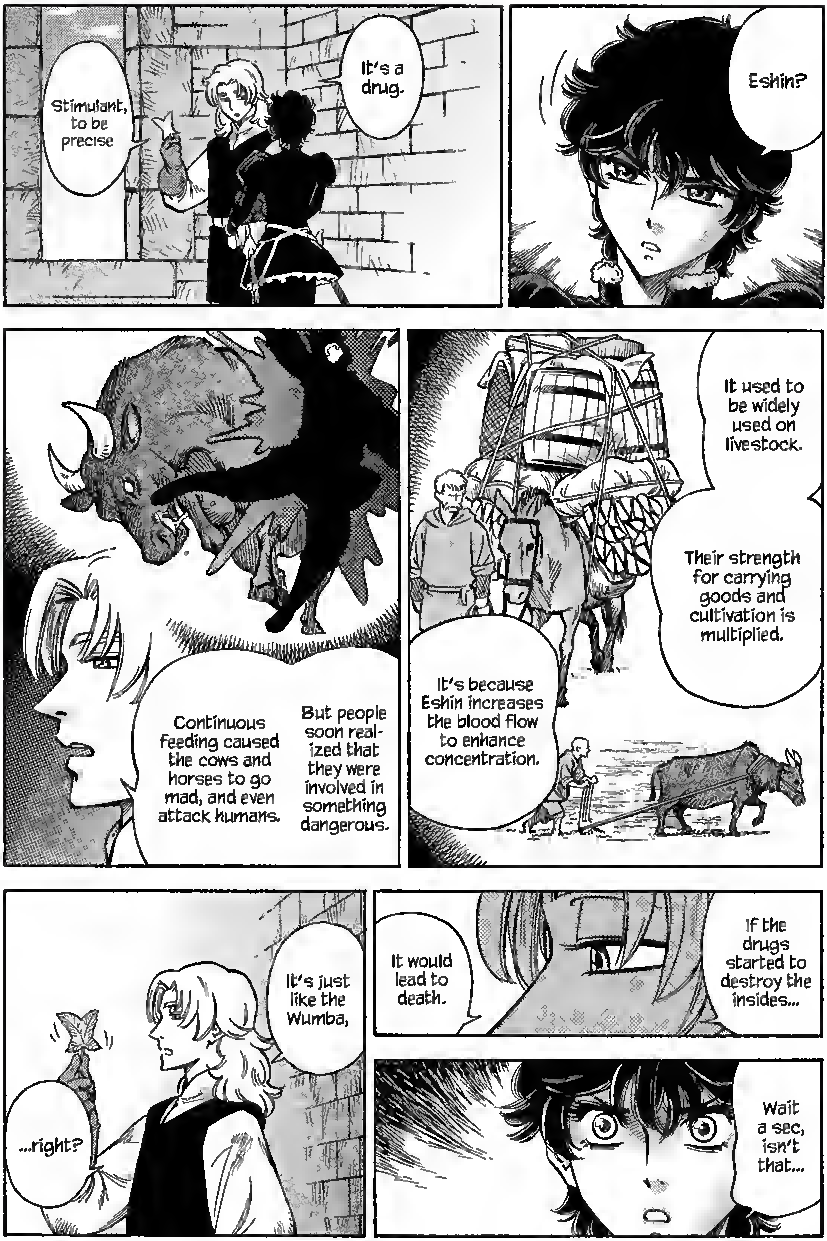
MUCU
Please be quiet, the prey will run away.
HA?!
WHAT ARE YOU SAYING?
NO WAY!



Yeah...
Finally.
That's the last one.

ヒラ!
SNIFF SNIFF
Ah Ruba.
Rio, where did you...?
The shape is also rare.
Oops.
That's a white leaf.
Hmm?

It's best not to touch it directly,
Since it's soaked in Wumba's blood.
Careful, careful.
What're you doing with something like that?
What's with the crappy lie?
Wumba's blood~?
This shows that there is eshin contained in the Wumba's blood.
It becomes white after absorbing Wumba's blood.
The color of this leaf is originally green.
Huh? Haven't you heard about it?
For the experiment.

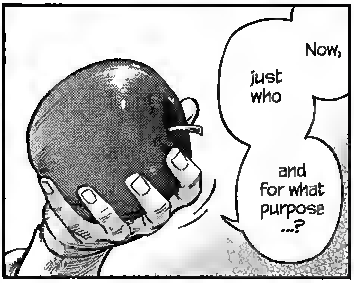


Stimulant, to be precise
It's a drug.
Eshin?
Continuous feeding caused the cows and horses to go mad, and even attack humans.
But people soon realized that they were involved in something dangerous.
It used to be widely used on livestock.
Their strength for carrying goods and cultivation is multiplied.
It's because Eshin increases the blood flow to enhance concentration.
It's just like the Wumba,
...right?
It would lead to death.
If the drugs started to destroy the insides...
Wait a sec, isn't that...

For your information, Eshin is not being used anymore.

Using drugs to cause the Wumba to rampage...

Ah!
Apple!



Now, just who
and for what purpose ...?

CHAPTER 18 - SCAR

Hehe.
I brought you a treat.
プルプルプルプルプルプルプルプルプルプル
Here!
It's bread!
All right, all right.
I'll tear a piece off for you.
All right, all right.

Me too.
Me too!
Me too.
I brought bread too.
Eat up, Pero.
Are you happy?

What's wrong with Pero?
When did we decide on Pero?
Hold on a sec.

Pero!
WAH...
Pero!
Owowow...

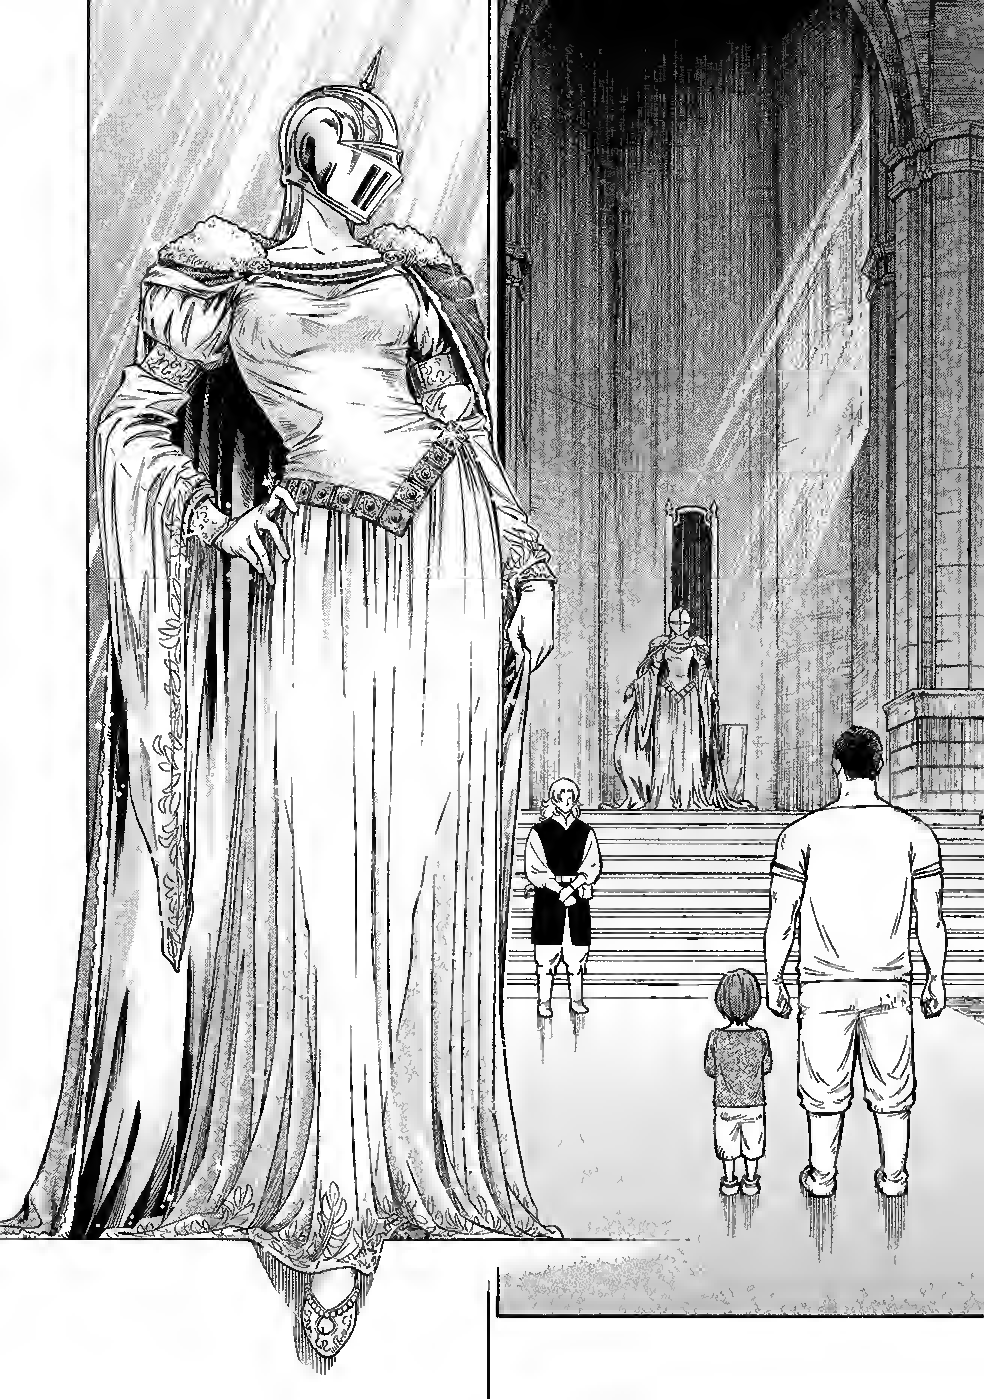
.....
Hahaha! Pero!
Me too!
Pero!
What's going on over there?
キャッキャッ
Where did it come from?
We can have some dog meat.
Saying he'll eat it later or some-thing.
My kid's been saving bread and hiding it.
Ahh, that's why!
It's a puppy.
You know
...It's true we're low on rations, but...
You want to it eat? It's a puppy.

Where did that dog come from?
...Beats me.
.....
Eh?
Ah...
Did it go through Eshin's examination?
Are any of you the kids' parents?
Yes.
Follow me.

.....
Josh, hand him over.

It might attack people like the Unba.
That dog may have consumed the same poison as the Unba.
Listen, Josh.
Josh.
.....
We won't know that unless we examine him.
PERO WON'T ATTACK ANYONE.
We need to examine him.
Everyone's worried.

How are you going to examine him?
If there's nothing wrong with him, can I raise him?
They have a leaf that does the examinations.
We'll take him to the castle and have him examined there.
I'm going to the castle too.
.....
Fine.



I am requesting for assistance from the neighboring areas.
Rations may be low, but please be patient.
Yes.
Queen Vivian.
Josh, I've been told the situation.
Now...

Aime.
Yes, highness.
Oh my.
He'll lick anything, won't he?
FLASH
Stop right there.
!
AH!
DON'T!
Josh.
It'll be over soon.
See, it's all done. That wasn't so bad, right?
.....

This is a Cisse leaf.
We have it absorb the blood, and if it turns white,
It's proof that it's contaminated with Eshin.
ヒト!!
ジワ…!!

パキパキ…

That's wrong.

Josh...
TELL THEM.
RIGHT DAD?
HE WAS PLAYING JUST FINE WITH EVERYONE JUST NOW, RIGHT?
PERO'S FINE.
It's wrong.
...It's starting to turn white.
Excuse me...
It's impossible.
Is there no way to extract the Eshin?
Really?
We can't prevent it from going mad.
At this point, it's just a matter of time.
Pero.

I cannot return the dog.
Josh.
What are you going to do?
What are you going to do to Pero?
...Your highness

...We will return him to the soil.
NO!
Take your leave.

WATCH YOUR MOUTH...
PERO DIDN'T DO ANYTHING WRONG.
YOU DON'T EVEN KNOW ANYTHING ABOUT PERO!
Josh.
GIVE PERO BACK!
PERO'S MY DOG! GIVE HIM BACK!
I HATE YOU!
YOU IDIOT!
YOU'RE A STUPID OLD QUEEN!
110...

Please, your High-ness.
Spare Pero.
...Don't kill him.

I'm sorry.
An orphan, huh...
Did you avoid starvation by licking Unba's blood or something?

Whether it's spreading naturally,
Or intentionally...
It's unclear, isn't it?
...Is that so?
No, nothing.
Have you received any clues from the Unbaf?
Continue the search for clues as well.
Prepare the examination.
Yes, your Highness.
.....
This only invites unease.

Am I...?

CHAPTER 19 - SETTING OFF

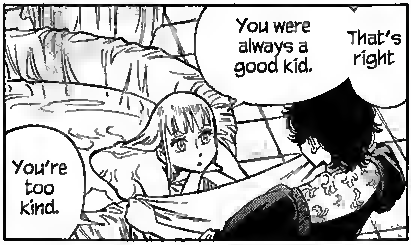
Hasn't the water turned tepid?
Vivian -sama?
ぴちゃ

I wasn't sleeping.
Were you asleep?
Let me stay in just a little longer.
Vivian -sama.
JUST A LITTLE LONGER!
A council will be held soon, so please come out.
AH
This bathtub brings back memories.
Ho!

It was only a few times, though.
We used to get in together as kids, didn't we?
Oh?
Are you sure?
I was only allowed to do so when you threw a tantrum.
You were a princess and I was your playmate.
There's no way I could get in with you.
Weren't you the one throwing the tantrum, Ruba?
...Are you sure?

NO!
YOU THREW A TANTRUM!

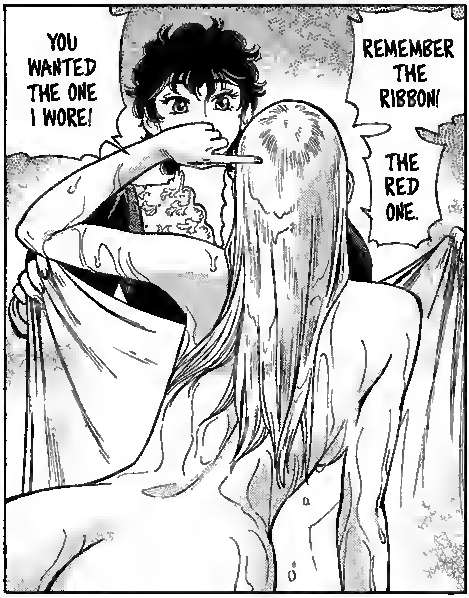
Of course not.
Now!
It's time to get out.



You were always a good kid.
That's right
You're too kind.

Ahh.
That...

I gave it to you, remember?
And you wore it everyday...
What happened to that ribbon?

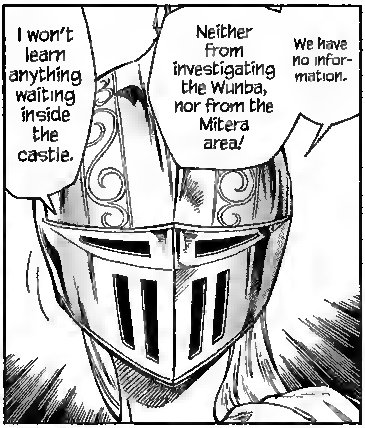


YOU WANTED THE ONE I WORE!
REMEMBER THE RIBBON!
THE RED ONE.

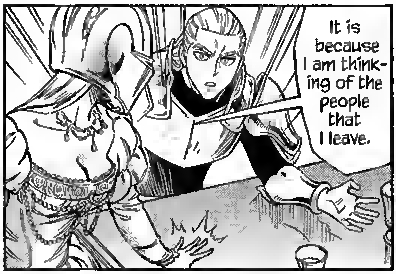
Ahh, I see...
Well, I cut my hair.
So...
Now, the council...
Fo?!
Vivian -sama?
. Umm,

!!
I shall go.
Regarding the investigation of Eshin,
WHA...?
WHAT IS THE MEANING OF THIS?
VIVIAN SAMA?
A RULER LEAVING THEIR CASTLE IS ABSURD
RIDICULOUS!
ALONE?
YOU MUST!!

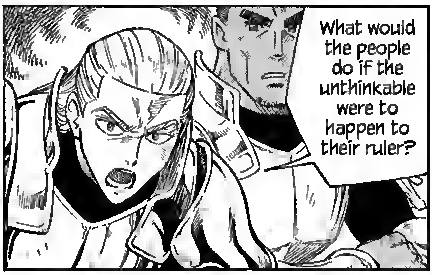
Eshin's poison is spreading even as we speak.



I won't learn anything waiting inside the castle.
Neither from investigating the Wunba, nor from the Mitera area!
We have no information.

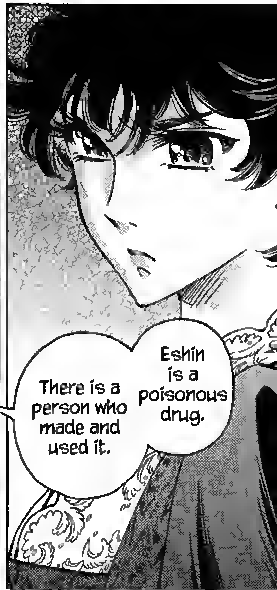


It is because I am thinking of the people that I leave.



What would the people do if the unthinkable were to happen to their ruler?

Our true restoration begins there.
I must find and stop them.



There is a person who made and used it.
Eshin is a poisonous drug.

If that is the case,
Send people to the west, the east, the north...
We must widen the scope of our investigation.
Then send others out.
I do not wish to take any more people capable of fighting away from the dwindling population of Mitera.
Although the threat of the Wunba has gone, we cannot say for certain that another beast might not come to attack.
I am against that.

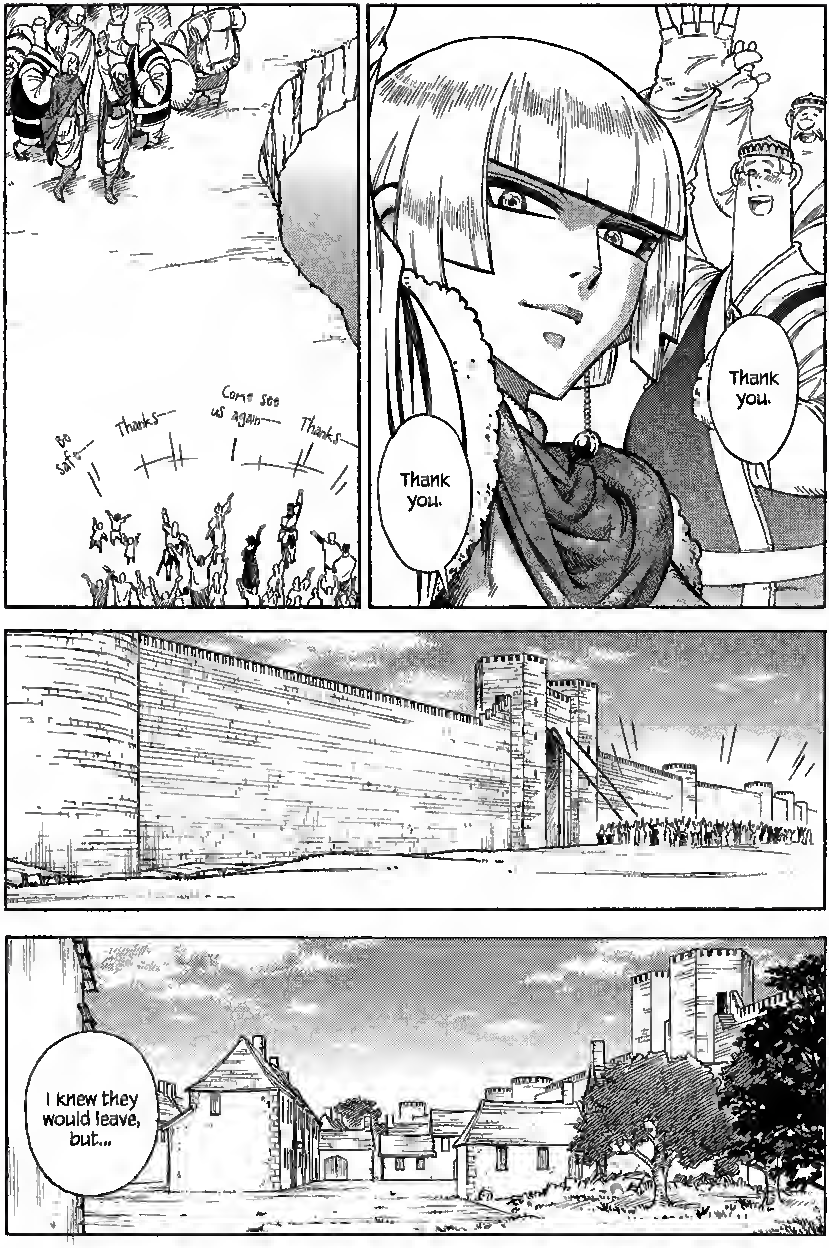
It is our duty to protect you, Vivian -sama.
We are the imperial guards.
If you insist on going, we will accompany you.
...I cannot agree to that.
I MUST HAVE YOU REMAIN IN MITERA FOR NOW.
YOU ALL ARE AN ENORMOUS SOURCE OF STRENGTH.
Or, do you have a plan?
Because this is an important matter, I will go myself.
However,
...I do not.

It has already begun.
Also, look...
The restoration being one.
A ruler has a vast range of responsibilities, all very important.
Pardon me, but I believe you are being somewhat rash.
But the Cebolla will soon leave.
Their smiles have returned.
They have vigor now.
There are many places where the strength of the Cebolla is needed.
Their strength is truly great.
You should be well aware of that.
You cannot leave Mitera.
The one who will become the pillar of support for the people hereafter is you,
Vivian -sama.

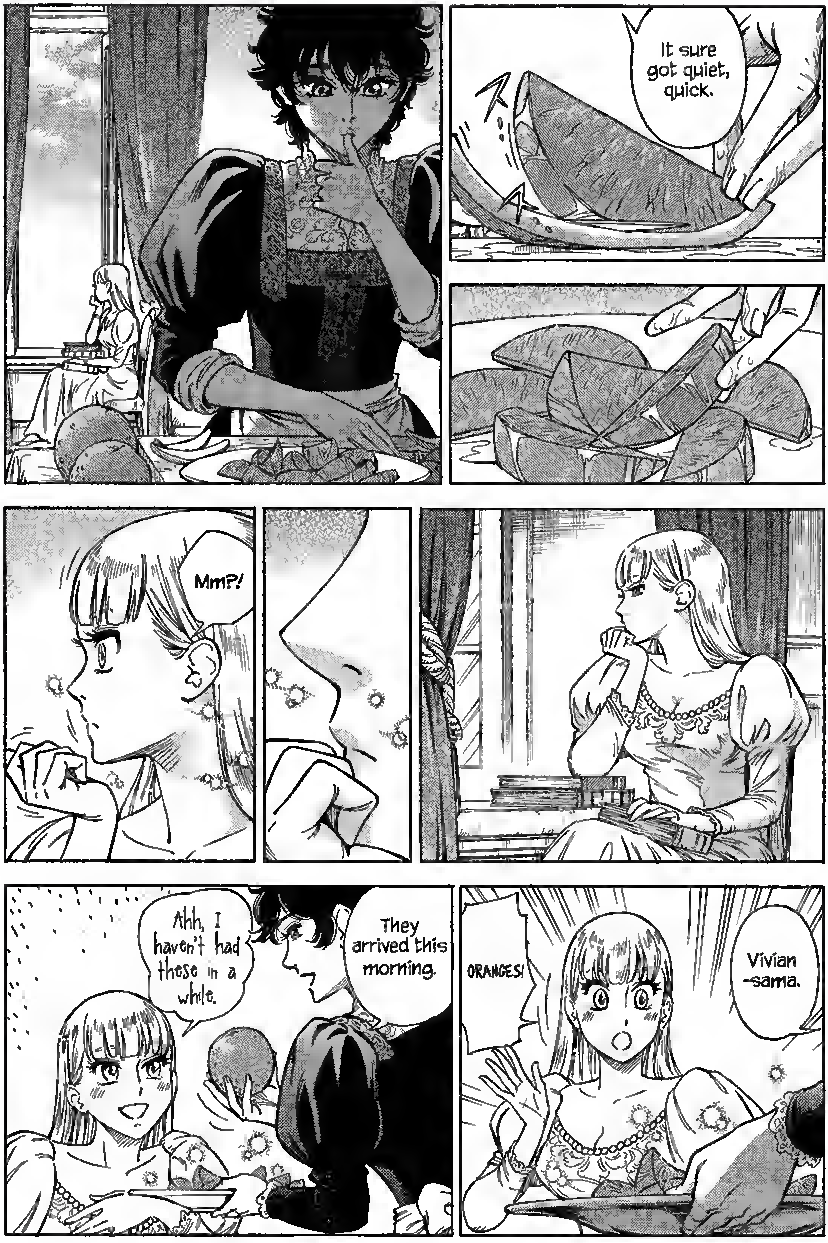
Olavie...

Come visit Acres any time.
Vivian...
We'll build houses for the Cebolla.
All right!
And you, Mitera.
I'll look forward to it!
OLAVIE-SAMA!
Should we help out a bit with anything else?

You're such a crybaby, Iruppo.
But!
My legs!
My legs~
Wah--
Let's play again some-time.
Iruppo.
Iruppo-
Iruppo.
Grab him!
Sca-ry.
Scary.
It's gigan-tic raindrops!
!
Ah?!
Huh?!
Uwaah!



Be safe
Thanks
Come see us again
Thanks
Thank you.
Thank you.
I knew they would leave, but...

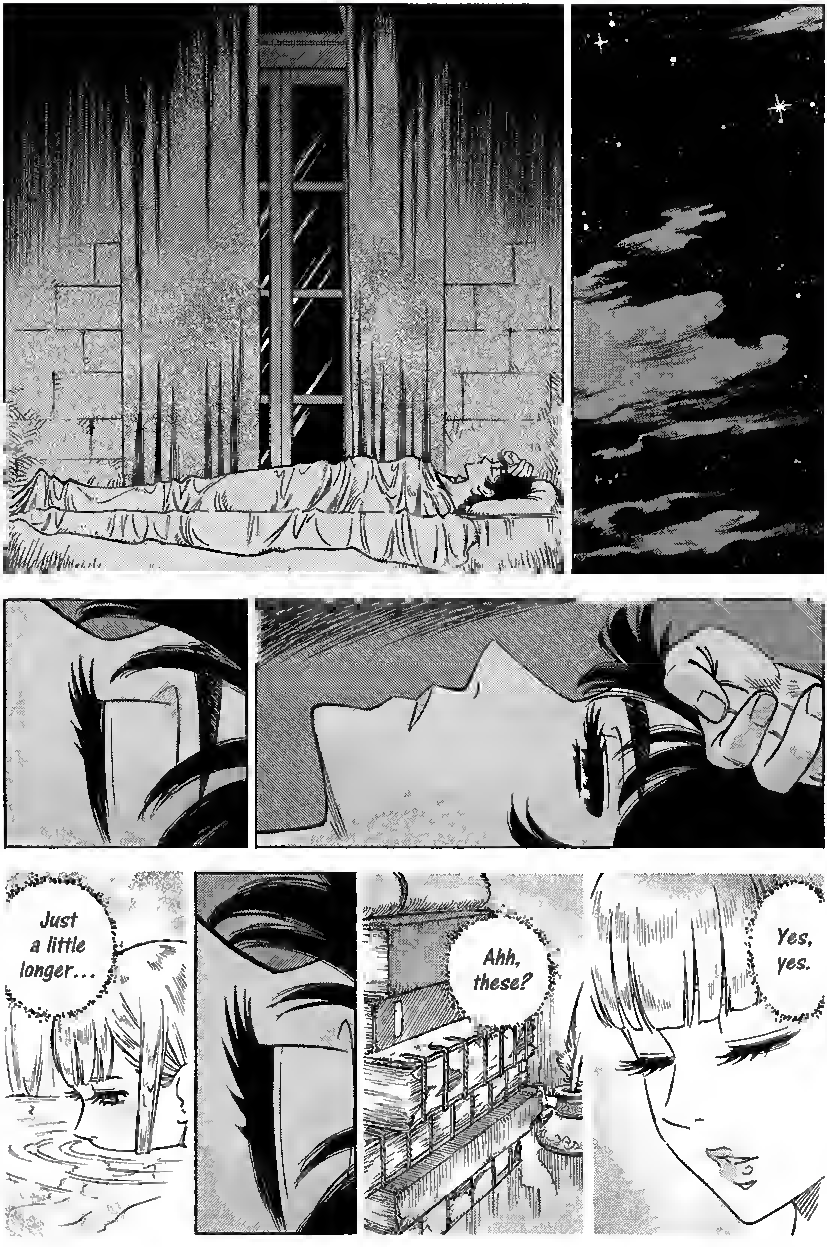


It sure got quiet, quick.
Mmf?
Vivian -sama.
ORANGES!
They arrived this morning.
Ahh, I haven't had these in a while.

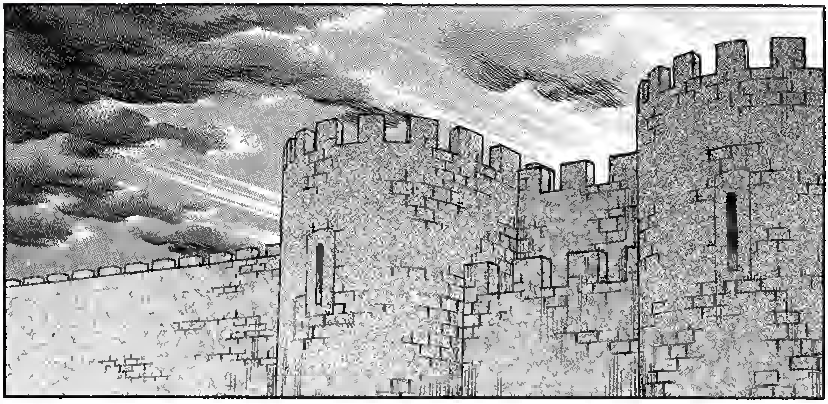
Inhale—
What about you, Ruba?
Let's dig in.
Let's eat together.
I'll eat later.

Mmm!
The town's been cleaned up as well.
It's gradually coming back.
Products will slowly start to come in like this.
But the foundation of this lifestyle is unstable.

Ahh, these?
The continent's history and customs and such.
Mm?
What are you reading?
And if there was anything written about it, the elders would've told me,
But there's nothing.
Yes, yes.
Is this concerning... Eskin?
Sweet.
STAB



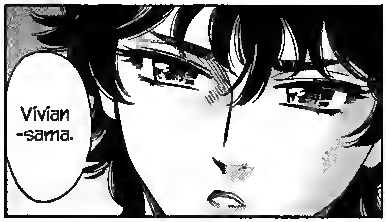
Just a little longer...
Ahh, these?
Yes, yes.



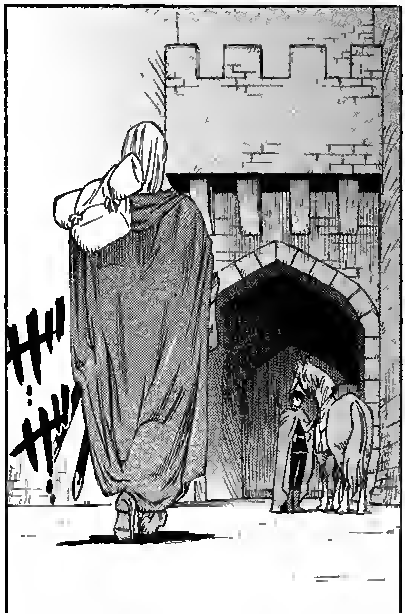
STEP

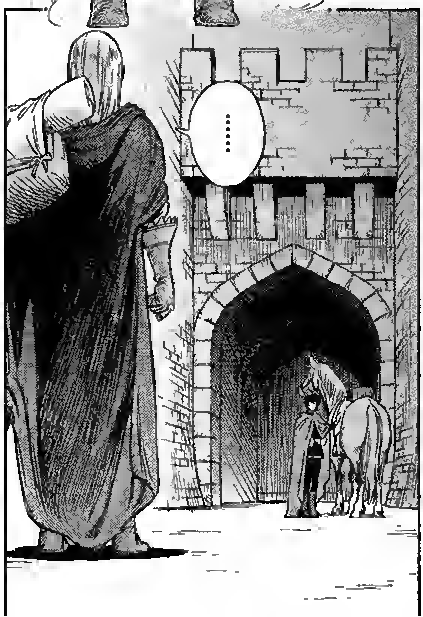
Ruba.

……



Vivian
-sama.



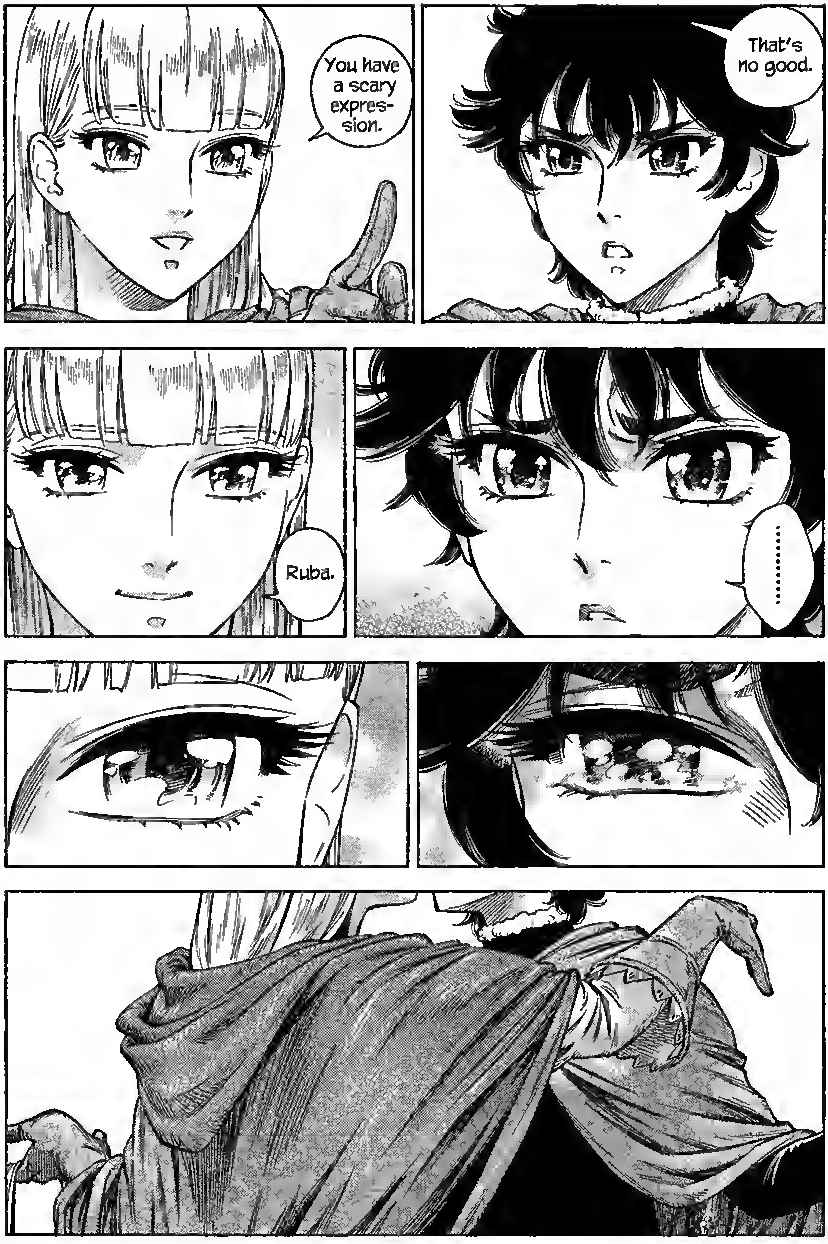


……

And the one time I wanted to be caught least, too...
I finally caught you red handed.
After serving you for 18 years,
Did you think I would stop you?
I've served you for 18 years.

You could've told me at least.
...You're right.
I'm sorry, Ruba.
If I don't return...
NO.
By chance,
If...
Ruba.

I WILL NEVER ALLOW THAT
I WON'T ALLOW THAT
You're right.
Got it.
Ruba.
Vivian-sama.

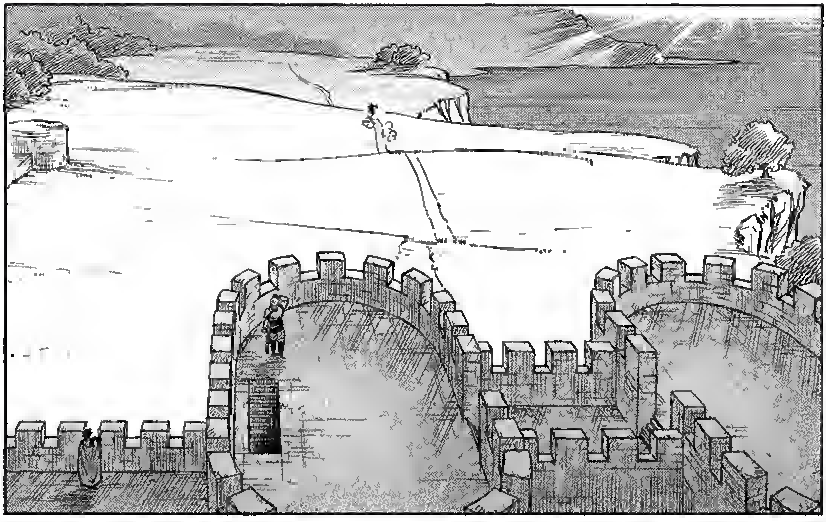


You have a scary expression.
That's no good.
Ruba.
.....

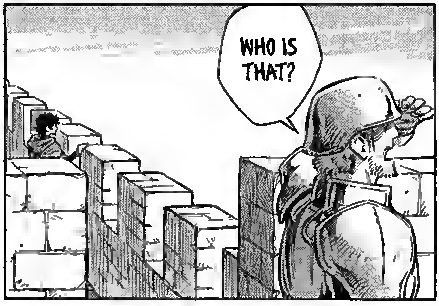
...I wanted to go with you.

Take care of things for me.
Pat
Ruba, what is that?
TIGHTEN
I was planning to buy a horse along the way.
You were planning to go by foot?
...Could it be,
I'm not giving it to you.
A red ribbon...

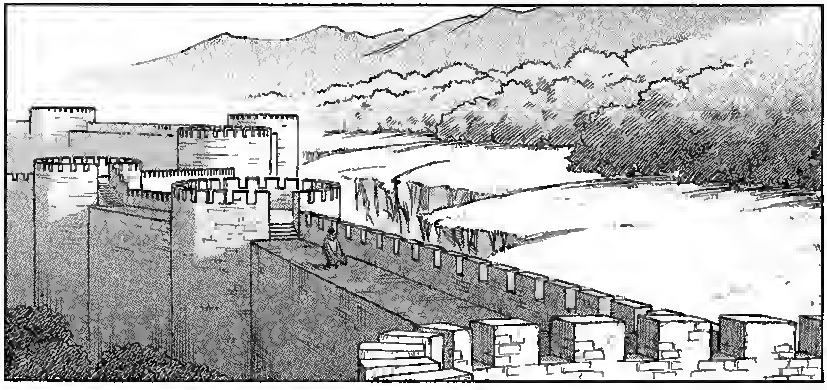
It's a trade for the mask.
HAH



.....
A friend.

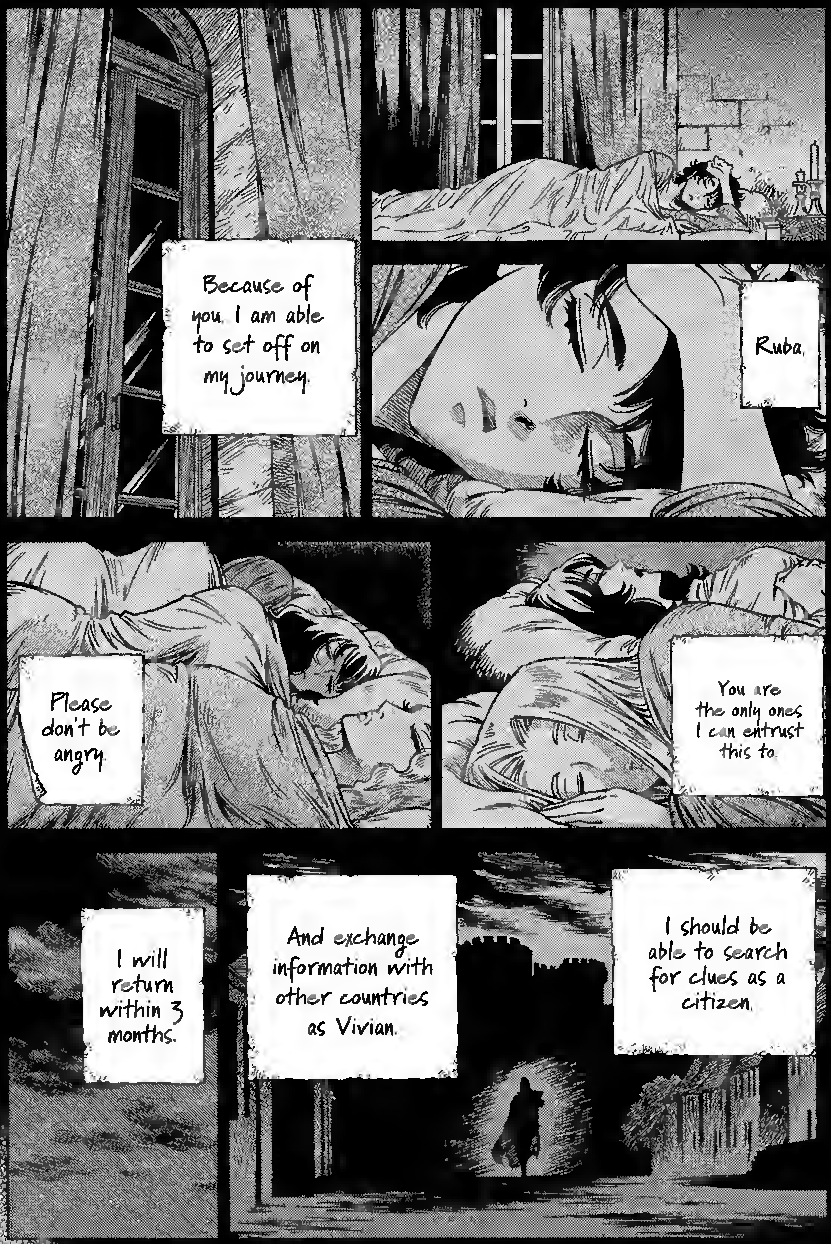


WHO IS THAT?



Ah.
Ruba.
Look at this.
WE'RE IN TROUBLE!
I leave the ruler's mask in your care.
To my beloved maids,

A country exists because of the people. A ruler exists because of the people.
A country does not belong to a ruler.
My maids.
Currently, the ruler's role must be divided in two.
For the sake of the people's happiness.
A ruler's decisions are always made.
And in my absence, protect the country and the people, as Queen Vivian.
Don the mask.
The mask of the ruler.

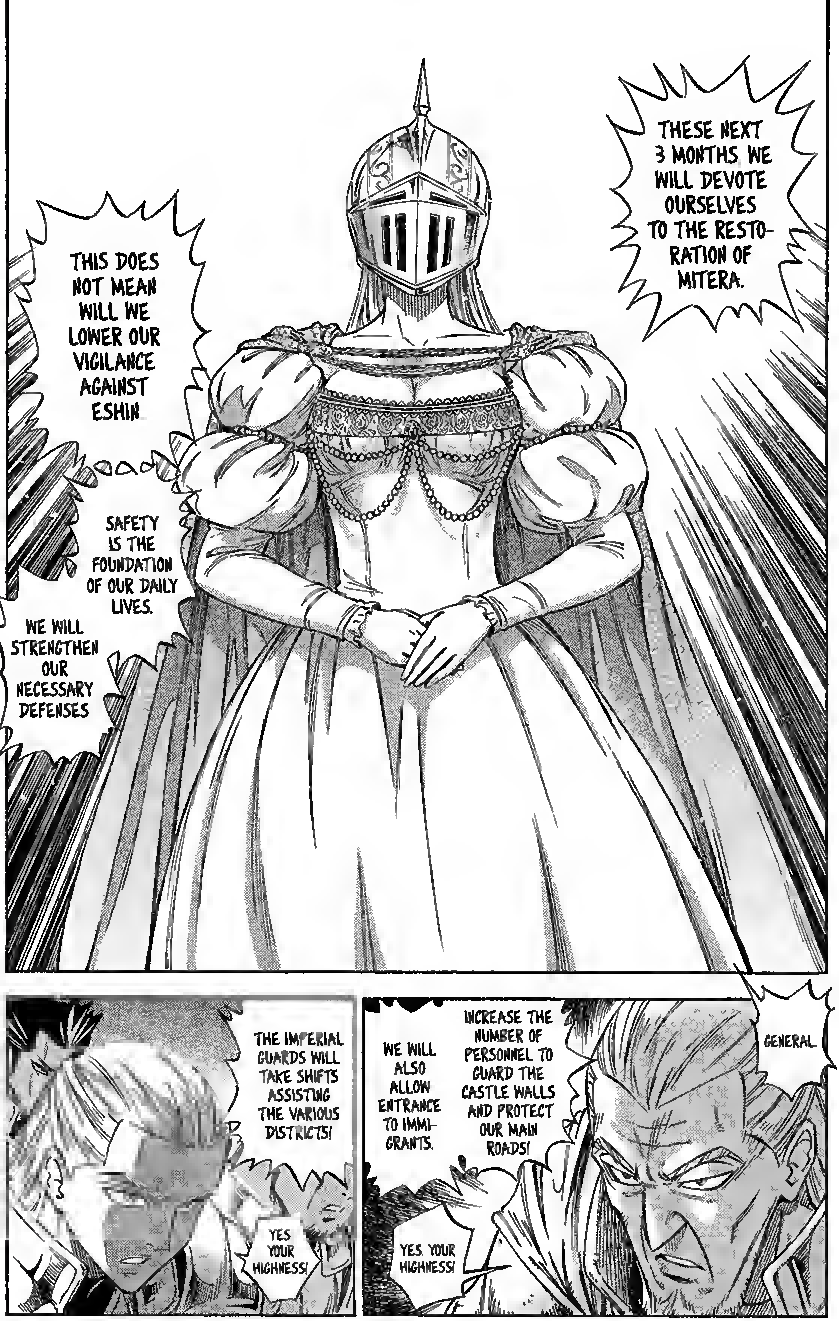


Because of you, I am able to set off on my journey.
Ruba.
Please don't be angry.
You are the only ones I can entrust this to.
I will return within 3 months.
And exchange information with other countries as Vivian.
I should be able to search for clues as a citizen.

Without fail, I will find a clue regarding Enshin.
And return.
WE HAVE TO HURRY AFTER HER
THIS IS NO TIME TO BE LAUGHING!
Or that that's Vivian-Sama for you
You could say this was expected
What do we do?
Ruba.
But...
We'll do as the letter says

Eh?
Ruba
I think we should go with Laura for the most part.
Let's see...
We're not going after her?
Are you serious?
The 6 of us will take the role of Vivian -sama.
Push comes to shove, I might wear it too.
But...
She'll be back.
Vivian -sama,
She'll be back.

.....
She'll be back.
.....
3 MONTHS WILL FLY BY!



THESE NEXT 3 MONTHS WE WILL DEVOTE OURSELVES TO THE RESTORATION OF MITERA.
THIS DOES NOT MEAN WILL WE LOWER OUR VIGILANCE AGAINST ESHIN
SAFETY IS THE FOUNDATION OF OUR DAILY LIVES.
WE WILL STRENGTHEN OUR NECESSARY DEFENSES
THE IMPERIAL GUARDS WILL TAKE SHIFTS ASSISTING THE VARIOUS DISTRICTS!
YES YOUR HIGHNESS!
WE WILL ALSO ALLOW ENTRANCE TO IMMIGRANTS.
INCREASE THE NUMBER OF PERSONNEL TO GUARD THE CASTLE WALLS AND PROTECT OUR MAIN ROADS!
YES YOUR HIGHNESS!
GENERAL

But to split open the barrels on an unstable water surface,
